St. John Church & Student Center

Dear Parents:

Our parish will offer Religious Education (RE) lessons in the following two ways: Live sessions at St. Thomas Aquinas School or Online sessions to do at home. Live sessions will be held on Sundays from 10:05am-10:55am and Mondays from 4:30pm-5:30pm.

Live sessions will begin October 3rd & 4th with the final sessions April 24th & 25th.

We always need parents to teach (share one's faith) these lessons. This year we will need many as we are hoping after the previous year of online learning children will want to learn in a community setting with their peers as that is how our faith is shared every time we attend Mass. If you find you are willing to do this please contact me. All sessions are planned for you in advance. We and the children just need YOU.

We have taken into consideration how important these sessions are for your child's faith life and have structured our fees to cover only the texts this year to make this affordable for all families. Fees this year will be \$25.00 per child. Please contact me if your family needs a scholarship.

Thank you in advance for wanting the best in life for your child, an eternal life with Christ!

Debbie Lewis,

Director of Religious Education & Child Sacraments
